An extensive array of amenities complement its luxurious living like an impressive double height grand entrance lobby, yoga room and space for gymnasium for those who devote time for their health, ample play area for children where they can experience true childhood, a terrace garden to spend some quality time with your near and dear ones and a terrace party hall to celebrate your life's grand triumphs.

Layout Plan

Simple. Elegant. Suave. These were just a few words considered when we sat to design the structure. Today, where cities are turning into concrete jungles, Palazzo gives you an escape from a morbid lifestyle. It aptly underlines your taste, the real YOU. Archetype that you see here gives you a glimpse into how carefully your aesthetics were given a preference when Palazzo was conceptualized.
